Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor,

As many residents may be aware, one of Bar Hill's representatives on South Cambridgeshire District Council has had to resign due to ill-health. A by-election was arranged for September 6th, but as mine was the only nomination, I was returned unopposed on August 9th.

Having lived in Bar Hill since it comprised two small groups of houses 'up the hill' and 'down the hill', with only the school and The Mall between them, Jo and I are among Bar Hill's longest serving residents. In that time, I have served on the Residents' Association committee, and the governing bodies of both Bar Hill Primary School and Swavesey Village College. It will be an honour and privilege to serve the village as District Councillor. When the challenges facing Bar Hill will be no less acute in the early years of the twenty first century than in any of the thirty five years of its existence, I look forward to working with residents, the Parish Council, my fellow District Councillor, Tom Flanagan and County Councillor, John Reynolds, in the interests of Bar Hill and the surrounding area.

Dear Editor,

Why do people with garages insist on leaving a car in the road opposite a neighbour's drive? Reversing your car out with a car parked in the road opposite, and looking out for cars coming in both directions makes it a difficult manoeuvre. It is time double yellow lines were applied all around the Village and Bar Hill might once again resemble a village instead of the present sprawling car park.

Many people with garages use them for other purposes and so leave one car on the drive with a second, or even third, car on the road - often half on the pavement - another inconsiderate and I believe illegal habit. Visitors also have to park on the road.

Let's all try and be more considerate. Life is stressful enough without these daily unnecessary inconveniences. For short visits within the Village and unless handicapped, the car should be left at home **in the garage**. Who knows, you might wonder why you have not walked before. Bar Hill would become a more pleasant and much quieter village and we would all become a healthier society if we all did a bit more exercise - after all we were born with feet not wheels!

Apology!

As a Bar Hill resident you may have been disturbed in the early hours of Sunday the 29th July by a Firework display held at the Moat House Hotel.

The display was not our own but part of a private party. We were not aware of the extent of the display and this was compounded by a delayed start to the event.

These issues aside we would like to offer our full apology to those residents who were disturbed, especially the elderly, infirm and those amongst you with young children.

We can assure you all that in the future we will take greater care to prevent the incident from being repeated. Whilst we cannot promise an end to firework displays we will be doing our best to ensure that displays are held at a reasonable time in the future.

Garin Davies

General Manager

Cambridgeshire Moat House Hotel

Dear Editor,

We have just received our latest issue of the BHN and were delighted to see such a large section dedicated to Andrew Easter and Shaun Eglington. It may be a biased opinion (from Shaun's mum) but it's great to see the achievements of young people from our Village.

In today's society where parents hardly know what their children have succeeded in, let alone get up to half the time, it's nice to read about determination and hard work producing results. I am sure there must be plenty of other young Bar Hill residents who have achieved great things in their chosen activities and it would make good, positive reading for all if we heard more about them from time to time.

Janet (Shaun's mum)

PS. I will try and make sure that you have an update as to how Shaun does in America

Garden waste

It has been noted that a number of Gardening Contractors have been employed by residents over the last few of months.

Please note that when you employ a garden contractor please ensure that he has a Waste Transfer Certificate. To dispose of garden waste without one is illegal.

CCTV Cameras

Three CCTV cameras have now been installed around the area of Hanover Close, The Church, Dental Surgery and Health Centre. Hopefully this will now help to eliminate any vandalism that has been done in the past.

Subscriptions!

Yes, it's that time of the year when you pay up for the Bar Hill News, the Fireworks and the Summer Fête! During the next few weeks our volunteers will be out-and-about collecting the donation of £2 per household to keep the system working - please give them all the support you can. Pensioners are exempt (although they seem to be the most enthusiastic about giving!).

Rubbish Collections

As you are aware your rubbish is collected by South Cambs District Council on Mondays. May I please ask you to keep your rubbish on your own property until either late Sunday or early Monday. Due to the current warm weather there is a great possibility of the smell attracting rats to the contents of the bags.

The Farmhouse

The basketball pitch has now been installed at the Youth Drop-In Centre and hopefully will give our youngsters another facility that should be well used.

Use of Skips

We have had a couple of problems with the hire of skips within the village, using Parish Council land and damaging property when removed. Please be aware that although we do not wish to

stop people improving their homes, we do need to be informed if you are to hire a skip for any length of time.

Parish meetings

The Parish Council meeting for September will be held on Thursday 6th September and the public is welcome to attend.

Sheduction - New Build

In an effort to combat shed crime in Cambridgeshire, Cambridgeshire Police are working with shed manufacturers and have produced a set of minimum security standards for new sectional buildings.

Sheds that meet the standard will display this logo:

The standard requires:

- * Wall panels to be secured from inside the shed.
- * Windows to be fixed where possible, and fitted with galvanised grilles.
- * Doors to be fitted securely with three hinges.
- * Door to be framed, ledged and braced.
- * Door to be fitted with two padbolts, secured with a heavy duty padlock.
- * Literature about general garden security to be supplied.

Don't be another statistic on our crime figures - support 'Sheduction - New build'!

For details of participating manufacturers and showrooms in your area, please contact PC Iain Perry on 01223 823251.

Dear Editor,

On behalf of the family of the late Alexander Crombie (Alec) I would like to thank all the friends and neighbours who attended his funeral on Tuesday 14 August 2001 at the Cambridge City Crematorium. It was quite emotional with the Piper Major from the Scots Guards playing as we entered the chapel and seeing so many friends sitting there.

My father would have been delighted to know so many people had attended and would have liked me to give a special thanks to Rev Gary Renison, the friends from Happy Hours and Willingham Funeral Service who all showed such compassion at a very difficult time.

Thank you also for the flowers and donations to the Coronary Care Unit at Addenbrookes.

I hope that you have had an enjoyable, rejuvenating and crime free summer.

I recently attended a conference, organised by the police for Neighbourhood Watch coordinators, at Hinchbrook police headquarters. A number of very interesting subjects were discussed but one item on the agenda particularly surprised and concerned me.

Distraction burglaries.

I was aware that distraction burglaries happen but I had no idea of the extent or that they are so structured. In many cases this is a very organised crime carried out by professionals, many of whom make a great deal of money. Teams travel throughout the

country posing as all types of people: e.g. Salesmen, water engineers, gas men, garden services, electrical engineers and so on. The most likely times they operate are between 11.30am and 4.30 pm.

In 1999 16,000 cases of distraction burglary were reported in England and Wales. In 1997 143 cases were reported in Cambridgeshire alone. In 2000 the number had risen to 191. The exact figures are probably 4-5 times higher than this as a lot of people are afraid to admit that they have been taken in!

One family of distraction burglars from the Midlands made 3.5 million pounds.

This group were caught, unfortunately many others slip through the net.

Sadly most vulnerable are the eld-

erly who live alone and who may well keep large amounts of cash in their homes. Having said that, these people can be very convincing and many a younger person has been taken in.

How can we deter these people? Nobody wants to be thought of as an interfering neighbour but we do need to protect. If you have an old or vulnerable person living near to you, whether you belong to a neighbourhood watch scheme or not please keep an eye on them. Let's try to keep this a distraction burglary free village.

Please remember I am here to help all members of the Neighbourhood Watch scheme and more than willing to assist in the setting up of a scheme.

Don't hesitate to call me

Sunshine Pre-School

The Sunshine Pre-School is in the brightly painted building near the School.

As a member of the Pre-School Alliance, the Pre-School offers a secure and comfortable environment for young children to learn and develop at their own pace.

Our garden area has a roadway, climbing frame, children's playhouse, and many other attractive features, stimulating the children's imagination!

Each session is structured as follows:- During the first half of the session the children are encouraged to participate in a variety of activities - sand and water play, painting, craft, construction play and activities to develop reading, writing and social skills.

After the break for milk and fruit, comes 'show and tell'. This is where the children talk about an item that they have brought with them or a subject that interests them.

Note that the term after your child's 4th birthday he/she is entitled to 5 sessions a week FREE. We now accept children from the age of 2½ years (providing they are toilet trained).

Sunbeams (18 - 36 months)

Thursdays (1 to 3pm). Each session consists of painting, playing with sand and a large choice of other activities. After a break for milk and fruit, the children play outside (weather permitting) in our fenced off garden, where there is a wide variety of attractive features to play with. The session is then drawn to a close with a singsong.

All day weekends and School holidays - the charges are:-

Welcome to The Bar Hill Pre-School Playgroup.

You will find us in the Village Hall Centre on the Village Green, which can easily be reached by footpath or from the perimeter road via The Spinney.

The playgroup is a non profit making, community playgroup. We encourage parental involvement and the playgroup is run by a volunteer parent committee. There is the opportunity to "parent help" in some sessions. This not only allows you to be a part of playgroup life but also substantially reduces your fees.

The aim of our community playgroup is to enhance the personal and social development of **all** children placed in our care. This is achieved through the various activities we have in our **two rooms**, which provides the educational setting required by OFSTED. Our friendly staff team – Sonya, Julie and Lisa run all of our sessions.

Session times: -

Mon, Wed & Thu.	9.15 - 11.45 am
Tue. 'Playtots'	9.30 - 11.00 am
Tue.	12.15 - 2.45 pm
Fri. 'Rising Fives'	9.15 - 12.45 am

(packed lunch to be provided by parents.)

Information

We pride ourselves on our warm and friendly atmosphere, which we believe helps children to feel comfortable and more able to develop their social skills. We have a wide range of equipment to encourage children to experiment with various types of play. This includes a slide, climbing frame, a playhouse, various dressing-up clothes, a Brio train set, a sand/water play area, a painting area, a book corner and too many puzzles and games to mention!

Each session is well balanced, incorporating a timetable of events in both rooms. Our **Craft Room** provides us with the facilities to develop mathemat-

ics, scientific reasoning and Information Technology through a series of topics that incorporate the use of all the equipment.

If you would like to call in and see what we offer, please do. The staff will be happy to see you. Our recent OFSTED inspection report is held at Playgroup and we would be glad to show it to you.

Playtots

This is run by Lisa on a Tuesday morning and is an excellent way for your tiny tots to get used to the idea of playgroup. The starting age is just **One Year old until Two and a half**. It is popular with both parents and childminders and really gives children the chance to enjoy playing and crafts. We want to give parents maximum time to enjoy playing with their children and to have a well-deserved break, so no tidying or clearing up duties. The playgroup takes care of that. Tea and Coffee is available for adults, and children are given a drink and a biscuit as part of the entrance fee. The other good news is that it is "pay on the day" so you don't lose out if you can't make it one week.

Come and see us, no need to book, just turn up on the day.

Nursery Grant

Under the Nursery Grant Scheme, if your child is eligible, then the term after their 4th birthday he/she is entitled to **5 free sessions per week**. Please ring Julie Jolley on **780445** for more information.

Places

For places ring Julie Jolley on **780445**. Application forms are available at Playgroup, The Library and the foyer of the Village Hall.

Subsidised places

We are happy to offer subsidised places to parents on Income Support or Family Credit. Any such request will go before the committee together with supporting documentation supplied by the applicant and will be dealt with on an individual basis. Requests would be dealt with in a confidential manner.

Please note that we also offer discounts if your child attends more than 4 sessions per week.

Only one discount/subsidy will be allowed per child. Please call our administrator, Julie Jolley, on **780445** for more information.

Anna Moorhouse

Webb Ivory

Due to the lack of help last year we will no longer deliver to the whole Village. If you would like to look at a book they will be at the Scout Hut for you to see on a Tues. from 6pm - 7pm or Wed. from 6pm - 7.45pm, as from September. If you are from the 'older generation' then if you call Tracy on **200918** she will try to get a book to you as soon as possible. All orders must be back by the beginning of November to make sure that the goods are here in time for Christmas. Thank you for supporting us over the last few years.

Calling all boys 6½ - 10½ years!

Beavers is for boys from 6½ to 8 and **Cubs** is for 8 - 10½ year olds.

We do lots of things at Pack night each week and go to the Beaveree, which is full of things to do. The Cubs go to camp each year, enjoy night hikes and take part in District and County competitions which include football, cross country, swimming and other sports.

So why not put your name down and come along and enjoy the fun?

Grand re-Opening

4th Sept 1.30 - 4.30pm in the Church Meetings Room.

New Session details

Every Tuesday from 2.15pm to 3.45pm in the Church Meetings Room. Annual membership is £3 per family with toy hire from 25p to £1.25 per toy. We have an outdoor play area and there will be light refreshments for sale. Come and play at our sessions with no obligation to borrow toys every week. If you have young children visiting occasionally borrow some of our toys to keep them entertained.

Birthday Playday

We raised £72.50 towards our new toys fund and had a wonderful party into the bargain, with no rain and 75 children. All the children thoroughly enjoyed themselves on the outdoor toys and the bouncy castle or busied themselves inside with our colouring competition while they waited for their turn for face painting. The winners of the colouring competition were Lucy Tomkinson, Elisha Randall, Hannah Brazier, Jamie Bladen and Hannah Ridley. Our thanks go to Adriene Charman for donating a beautiful teddy bear birthday cake, to Janine Doggett for continuously painting faces and to the Sunshine Pre-school Playgroup for lending

us everything.

Nearly New Sale

Completed condition forms must be returned by 17th Sept. For seller number or further information call Tracy Seekings **200918** or Kirsten Goodfield **200228**. Once again the photographer will be visiting on Monday 18 October. If you would like your child photographed then look out for the lists in your sessions.

Summer Playdays

A big thank you to all those people who came to our playdays this summer. Once again, because of you all, we were able to raise much needed funds for toddlers. We hope you enjoyed them as much as the committee did running them. To find out more or book a session, please contact: Gail Pridgeon **203229**. You are more than welcome to call in and have a chat with our supervisors, Jo and Louise.

At the time of writing, Bar Hill 1st Team are still unbeaten and virtually assured of promotion to Division 2. However, the Championship is still very much up for grabs.

Bar Hill started this period against Burwell III. Bar Hill's bowlers skittled them out for a meagre 41 with Martin Haslop taking 4 for 12. Bar Hill cruised to 21 without loss but a flurry of wickets started the nerves jangling and within a few overs Bar Hill found themselves 23 for 3. However nerves were restored and Bar Hill won the game with only the loss of one further wicket. Dave Sandham carried his bat with an unbeaten 29.

Next was the long trip to Isleham against a team that had yet to record a win this season. The Bar Hill bowlers predictably swept through the Isleham batting and dismissed them for only 37, the pick of the

bowlers being Richard Page who took 4 for 14. The Bar Hill opening batsmen proceeded to knock off the runs with ease.

Then came Littleport II. On a hot and sunny day, Bar Hill took a wicket with their second ball and another comfortable win looked on the cards. However, Littleport showed they were made of sterner stuff and finished their innings on 129 for 9. Bar Hill made steady progress in their innings but as the day

progressed the clouds began to gather until, with Bar Hill on 58 for 4, the heavens opened and the match had to be abandoned.

There were only two friendlies in this period. The first was against Barrington. Bar Hill batted first but slumped to 49 for 8. Phil Orvis, making his debut for the Club, came in down the order and hit an unbeaten 29 to give the score some respectability. However, Bar Hill finally succumbed with the score on 88.

Phil Orvis showed he could bowl as well as bat, taking 4 for 7 off 6 overs and Barrington were struggling at 19 for 6. However Bar Hill failed to take any more wickets and Barrington ran out worthy winners.

The other friendly played was the

annual Wrinklies game which has, over the years, developed into a Cricket Club vs the Social Club match. The Social Club 'Wrinklies' fielded a very strong side this year and deservedly won the match. The Cricket Club 'smoothies' were bowled out for 130 thanks to some good aggressive bowling and the usual 'unorthodox' umpiring decisions. Only Phil Walmsley and Chris Lemon got to twenty. The Wrinklies won the game in the

penultimate over, after displaying a good array of attacking shots including three sixes.

The Under 11's and the Under 14's both won their last game of the season and both gained respectable

positions in their respective leagues.

We are always seeking new players, so if you are interested in playing for either of the adult cricket teams, then contact Simon Smith 200207 or Peter Lemon 201502.

Remember, if you want the latest news on fixtures or results then log onto the Club's Web page www.barhillcricket.org.uk.

Our holiday in Scotland this year was so popular that for next year when we visit Loch Awe 22 members and friends will make up the party.

Our stand-in Poppy Organiser, Mike Duce, is already setting in motion the work for this year's appeal. The national press are carrying appeals for voluntary helpers - especially poppy sellers - and we look forward to the usual wonderful response to our cause. Remembrance Sunday will be on the 11th Nov. - the day of the national 2 minute silence and the anniversary of the end of the First World War.

Our next Branch meeting will be on Thursday 27th Sept. at 7.30pm in the Village Hall.

Sports and Social Club

With September upon us again it means Club subscriptions are due. As in previous years the yearly membership is £3 if renewed before the 30th September and £5 after that. Senior citizens membership remains at £1 per year. All the above rates also apply to new members, so if you are not currently a member now is the time to join. For those new to the Village, the Sports and Social Club is situated above the Village Hall in The Spinney. Come and give us a try before making up your mind on joining and see for yourself what we have to offer. You have nothing to lose and much to gain.

On 5th August the annual cricket match took place between the 'wrinklies' (Social Club) and Bar Hill Cricket Club which was played in the spirit of the occasion and no doubt due to the assistance given by the umpires (Fred Styles and Brian Burrage). The game was won (in a fashion!) by the Social Club. My thanks go to Brian Burrage for organising the game, Mel Thomas for supplying a glorious spread of food and tea, the weather for being so good and last, but not least, the members of Bar Hill Cricket Club who, even when the odds were stacked against them, kept their heads up and played the game. Well done lads, it was fun. We can't wait 'til next year!

September Entertainment

Thu. 27th Games night

I would like to put on record the Club's thanks to Mike Turner who has set up our new computerised membership system and without whose invaluable help old dogs would not have been taught new tricks!

Don't forget about the memberships, after the end of September it will cost you more to join, so join now.

The Colts

Close Season

It's that time of year again.

Much work has been going on behind the scenes in preparation for the new season. All the managers have been rounding up their boys and girls for training. If like me, they have had trouble in gathering their squads together, mainly because of annual holidays, they will be a little frustrated. Time is short, and many pre-season friendlies have already been arranged.

A big thank you to all the people who helped clear the shed behind the farmhouse. A good job well done.

A big thank you to Stuart Waugh for finding time to repair the goal posts. This will save a lot of time on cold Sunday mornings putting up the goals. Thank you Stuart.

By the time you read this, the pitches will have been cut, prepared, and marked out. So look out for some football very soon.

Entertainments

Don't forget about the

Family Treasure Hunt

on Sept 8th.

Look for the posters, or contact **Lisa** or **Paul**, the entertainment officers, for more information. Already, some super prizes are up for grabs. These include a free car hire for a weekend, a meal for 2, a Swiss (what's that) or a sports massage, a round of golf for 2 at the Moat House, and many more. Some of the other events in the pipeline include:

- * A Casino Night
- * A Race Night
- * A Halloween Disco

A St. Valentine's Disco has already been pencilled in for Feb 2002. So watch this space, as more details will be published of events as they evolve.

Boot Club

John Lumb has told me that the boot club is still in existence. What this means

is that if your child has got too big for their boots, they can hand them in to the boot club so that the younger children can benefit from nearly new boots.

This is a great idea as all parents know how much new boots can cost. So for a couple of quid or so their child can be equipped with nearly new boots for very little cost, plus the Colts football club benefits towards new equipment.

New Players

Any one who wishes to join the Colts football club will be made most welcome. Please look at the list at the bottom of this page and contact the appropriate person. Many of the managers, I know, are screaming out for more players.

Next month, we will have just about kicked off the new season. Look out for results or look on the web site listed at the bottom of the page.

Cheers for now.

(The recycled youth club)

Each month brings its own change of fortune, August has been no different. We kicked off with the good news that George Woods and Peggy Newman would be returning to Happy Hours and indeed they both did. Both have been away for several weeks but it was an absolute joy to have them back with us again. We are all getting a little older each succeeding day so take good care of yourselves, they don't make them like they used to do and you will be hard to replace.

Tues. 14th Aug. was a very dark day in my calendar; the cremation of Alex Crombie one of the world's finest men. The entrance into the Chapel to the swirl of the bagpipes brought a few tear to my eyes and no doubt many other people too. Although I had known him for several years you realise at such a time as this how little you know about a person, a very private person indeed,

always full of a little joke or some quip. A boy soldier at the age of 14 in one of the finest regiments of the U.K., the Scots Guards, he rose to the highest rank Regimental Sergeant Major, what an achievement. His soldiering took him to North Africa, Italy and so many foreign parts. Yes a very true Scot indeed. In the few weeks and months preceding his death I was always referring to him in the Bar Hill News and he always took me to task. He was such a private person. Our deepest love and sympathy are extended to Bettye, Anne and Mike, Debbie and all other grandchildren and the rest of the family. Our Chairman Sid would like to thank all those members of Happy Hours that came to the Service. My last words on that truly lovable man "He lived respected and died regretted"

God bless you Alec.

Lowestoft - Phew what a day! It was so hot that when we arrived back at Bar Hill we had to peel the members

off the seats, 90 degrees was the count. They all seemed to enjoy themselves, 10 were employed in a bowls competition. I keep having to remind you lovely people if you wish to go on these trips you must give Helen and Phyllis your names as early as possible. You do not know what enjoyment and pleasure you are missing out on.

Our next outing is Wed. 26th Sept. to Candlecraft factory with lunch at the village of Stokesay.

Macmillan coffee morning

A coffee morning in the Church on 29th Sept. 10.00am to 12 noon in aid of Macmillan Cancer Relief. All are welcome.

Diamond Wedding Anniversary

Our members recently celebrated Lillian and Len's diamond wedding anniversary. Lillian and Len are two of our pioneer members from years ago. We wish every happiness, they are indeed a lovely couple.

Jimmy James 201127

Have you ever considered joining a bowls club ?

Longstanton Bowls Club has several members from Bar Hill. Why not come along and join them? The bowls green is on the recreation ground at Over Road, Longstanton. The game of bowls offers opportunities for making new friends, gentle exercise and entertainment.

The new season begins on Saturday 28 April at 2 pm and beginners, as well as experienced bowlers, are welcome to come along. The annual subscription is £20 (£15 for senior citizens).

If you decide bowls is for you, then you would need to purchase a pair of proper bowls shoes and a set of bowls (bowls can often be purchased second hand as experienced bowlers often change their bowls for heavier or lighter ones).

All members of the Club play in at least one league, which gives on average one match per week during the season which runs through the summer to the first week in September. Fees per

match are £1.50, and there are always refreshments at the end of the match as well as an opportunity to chat with members of both teams. Away matches give members an opportunity to travel to other Clubs' greens in Cambridge and District. As a new bowler, if you wish to take part in our beginners league, please join the Club as soon as possible as the schedule is made up before the start of the season.

Monday evenings are Club evenings when bowlers go along to the green to practise, although this is done in a mildly competitive manner by running a bowls drive. Come along on any Monday evening after that date to try your hand. If you just want to watch and see what happens then that's free too!

Hope to see you at the beginning of the season!

Contact the Secretary Keith Brazier **781462** for any further information or get in touch with Phyllis or Jimmy James who will probably arrange car lifts for those without transport.

The Little Owl Pre-School, Dry Drayton

Looking for a Pre-School for your two-, three or four-year-old child? The small and friendly Little Owl Pre-School in Dry Drayton, in its safe and pleasant rural setting next to the village school, will have a few vacancies in September. These include some **free places**

for three- and four-year-olds. The Little Owl is run to a charitable constitution, and is registered with both OF-

STED and Social Services. It aims to provide an affordable, progressive and high-quality educational experience for young children. We offer both free play with sand, water, paints, puzzles, and games, etc - and more guided activities, like cooking, music, and learning letter sounds. For more information please call Pre-School Leader Mary Paren on **789673**, or Pre-School Chair Rachel Gardner on **780873**.

September always comes as a surprise. You'd think that I'd have worked it out by now that it comes immediately after August, but every year I'm caught out, and with it everything starts again - schools, colleges and much of church life too and I never feel ready for it. Everyone pretends to be rested from their holidays (which are often as stressful as the rest of life) and raring to go, but I suspect people are just glad of the return to relative normality (or am I the only one?). Most parents breathe a collective sigh of relief and sing sotto voce 'It's the most wonderful time of the year'.

It's a time for new beginnings, for new initiatives, new classes, new schools, for a new start. So it's completely appro-

priate that at Bar Hill Church we are intending to offer the Alpha course during the Autumn to everyone in the village. Alpha is all about beginnings, beginning to look at the basic message of the Christian faith and see if it rings true, beginning to think through the fundamental questions that face us all, Christian or not, beginning a journey of seeking after truth and following the truth wherever it leads.

Alpha is a course with an internationally strong reputation, endorsed by most senior church leaders of all denominations and recently featured on ITVs 'Alpha - will it change their lives?'. We're hoping to be able to offer both a Monday evening Alpha for those who live in and around Bar Hill and also a

lunch-time Alpha for those who work here. After sharing tea/coffee/dessert together, the format is a simple talk followed by discussion on matters of Christian belief. Any questions and doubts are welcome because the aim is to find truth, not to win arguments. Alpha's logo is an example - someone carrying a big question-mark - the questions are important.

It all starts with a simple invitation - to a dessert party in the evening of Monday 24th September which will include an introduction to the Alpha course, so you can make up your mind whether or not you want to proceed - no hard-sell - just the important questions of life.

If you don't look - you can't find.

Have you seen a Water Vole in Bar Hill?

The Water Vole has the dubious reputation of Britain's fastest declining mammal. There are many areas where the water vole is now extinct. Its habitat is now protected under the Wildlife and Countryside Act.

In Cambridgeshire the water vole has also seen significant declines but can still be found in some small streams and ditches, particularly north of Cam-

bridge. In Bar Hill water voles have been seen in various ditches around the perimeter of the village.

The water vole is often known locally as a water rat and achieved fame as "Ratty" in Kenneth Grahame's classic book; "The Wind in the Willows".

The water vole has a number of natural predators such as heron, pike, stoat and barn owl and has adapted various escape plans. However, the American mink is a new predator and

can quickly eliminate water voles, especially if their vegetation cover is removed or bank holes are damaged. Water voles are also vulnerable to poison set for brown rats if care is not taken.

Community Safety Strategy - What do you think?

Since the Crime and Disorder Act was introduced in 1998, a number of groups have been established in Cambridgeshire to help reduce and prevent crime and disorder. These groups, called Community Safety Partnerships, produced a Strategy detailing how they intended to reduce crime and disorder.

The Strategy must be re-written every three years, to ensure that the Groups are addressing relevant issues and crime problems in their Districts.

The first Strategy was published in April 1998 and the next Strategy will be published in April 2002. The Community Safety Partnerships are keen to hear from you about what priorities you think should be addressed.

The priorities included in the 1998 - 2002 Strategies for East and South Cambs are:

- Anti-social Behaviour.
- Substance Misuse.
- Burglary of Peoples Homes, Sheds and Garages.
- Vehicle Crime.

• Violence - including domestic violence.

Are there any other types of crime that you feel should be priorities for the Community Safety Partnerships? Do you feel that the priorities above still remain the most important issues that need addressing in your area?
